

# **Strengthening Human Resources Capacities and Skills to Advance Green Low Emission and Climate Resilient Development**

**COP 17 Workshop to support the  
Implementation of Article 6 of the UNFCCC  
4 December 2011**

**Sharon Oseku-Frainier  
Training Associate  
Climate Change Programme  
United Nations Institute for Training and Research  
(UNITAR)**

UNITAR has since 1964 developed capacities of UN member states in fields such as :

- Environment
- Peace
- Security
- Diplomacy
- Governance

# UNITAR Climate Change Services

- 1994 establishes Climate Change Programme
  - Support to Developing countries to prepare their National Adaptation Programmes of Action (NAPA)
  - 19 Pilot projects in Africa and Asia to enhance awareness about climate risks, identify vulnerabilities , build capacity and identify adaptation options

# UNITAR Climate Change Services

- 1. Customized training workshops:** that respond to the specific training needs identified at the institutional level
- 2. Online training courses:** provide individual learners with knowledge and skills on key climate change topics.
- 3. Knowledge sharing and pooling of expertise:** that builds capacity of institutions and learning centers located in the south
- 4. Project conception and implementation:** a strong advocate for “learning by doing” works with developing countries to develop projects and strategies that address climate change.
