NDC PARTNERSHIP APPROACH TO CAPACITY BUILDING

Through Country Engagement and Knowledge and Learning

Demand-Responsive

Proactive

CAPACITY BUILDING NEEDS

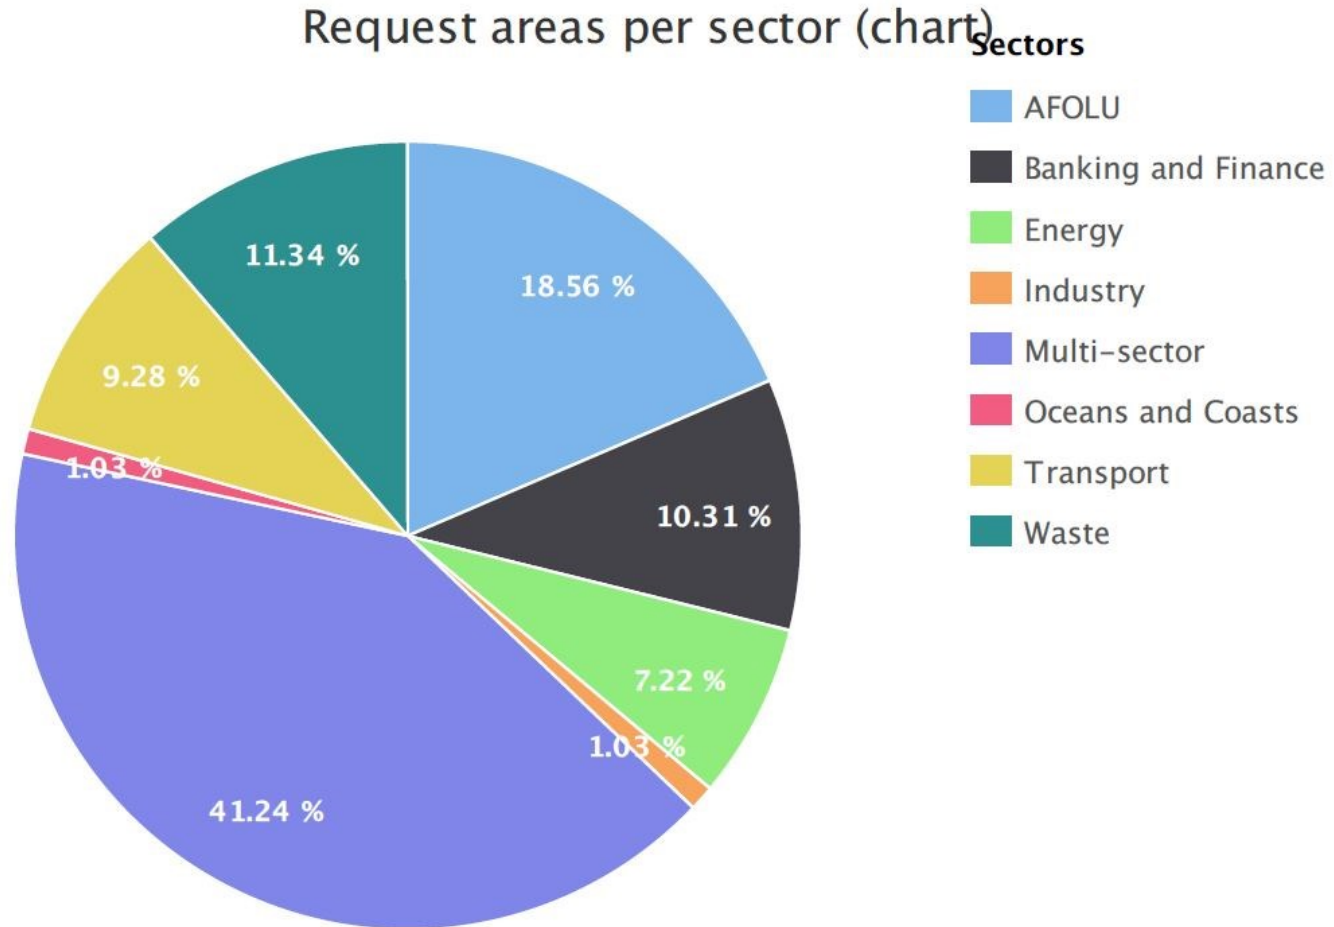

Official Requests for Support from national governments

Nearly 100 requests on capacity building (from 24 countries), for example to:

- Develop and strengthen sectoral capacities
- Strengthen capacity around coordination
- Develop capacity development in formulating bankable projects
- Strengthen capacity to mobilize resources, including from the private sector
- Build capacity around data collection and reporting
- Exchange experiences on capacity-building across sectors and countries

CAPACITY BUILDING NEEDS

Requests for capacity building and education by sector

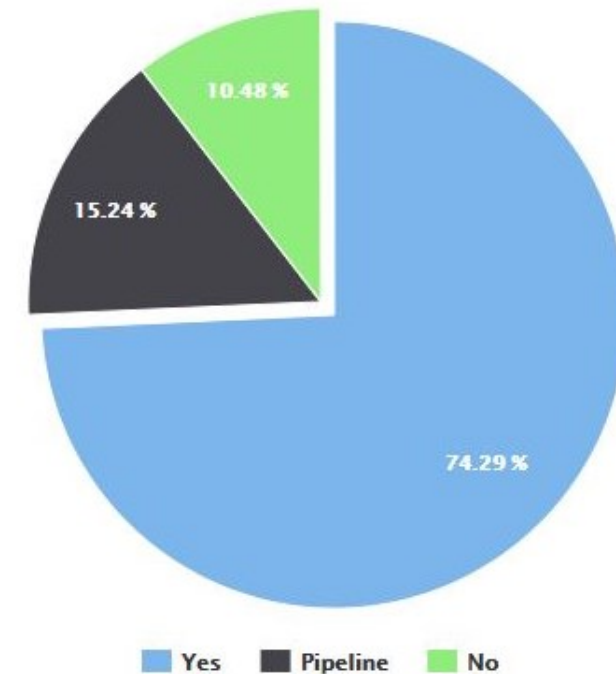

ALIGNMENT OF CAPACITY BUILDING EFFORTS

Collaboration around Partnership Plan requests

1. Match-making between country requests and institutional expertise in capacity-building, education, and training
2. Making UN CC:Learn e-learning products available through NDC Partnership in-country work
3. Matching UN CC:Learn Country Projects to NDC Partnership in-country work
