

UNDP WORKSHOP

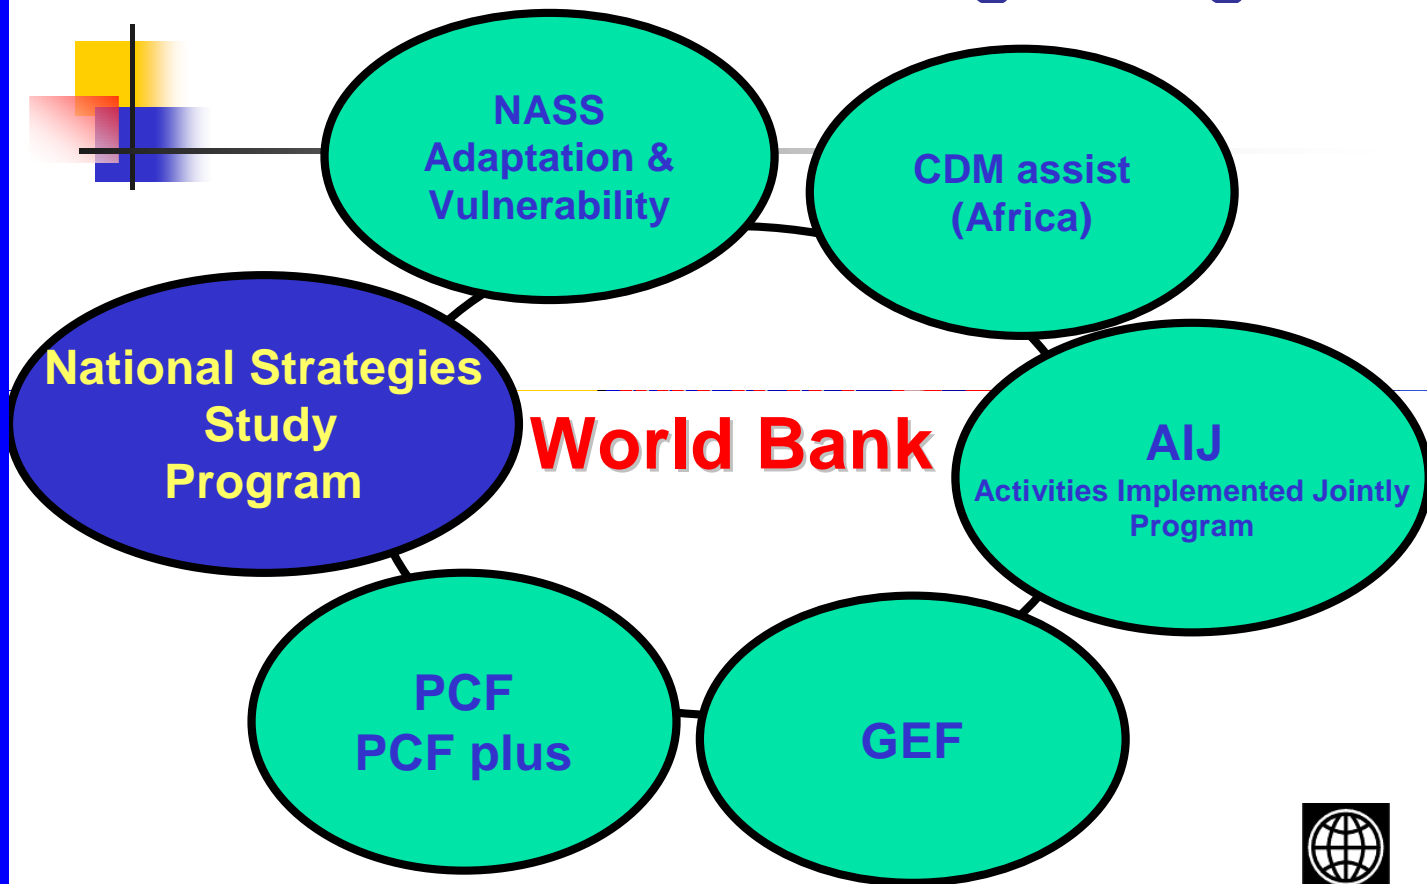

Important contribution to:

- Exchange of information on ongoing CD related activities
- Sharing experiences with CDM related CB activities
- Addressing the need for coordination of CB programs

NSS Program – Brief Overview

- Features, Status
- Outcomes, Lessons
- Upcoming events

World Bank Climate Change Programs

THE WORLD BANK

World Bank Program of CDM/JI National Strategy Studies

Objectives:

- Increases fundamental understanding concerning the opportunities provided by the KP flexible mechanisms
- Develops strategic approach to the KP flexible mechanisms, help establish necessary prerequisites
- Supports an “equal CDM/JI level” dialogue of host countries with industrialized countries

NSS Program - Focus

- Reflects the UNFCCC process
- Creates links between sustainable development and CDM by promoting market mechanisms (CDM/JI/ET)
- Facilitates the transfer of advanced/clean technologies while supporting sustainable development
- Stimulates the role of the private sector in technology transfer
- Applies practical experiences: “deal making”
- Facilitates subsequent follow up/implementation

Major NSS players

- Host countries
- Donors: **Switzerland** (major donor), Germany, Australia, Finland, **Canada**, Austria, (Italy?)
- World Bank: facilitator, advisor, provider of a special know-how, monitoring, Q/A, dissemination, networking

LISTING OF NSS COUNTRIES

Czech Rep.	Zimbabwe	Argentina	Indonesia I
Slovakia	South Africa	Colombia	<i>Thailand</i>
Russia	<i>Egypt</i>	Bolivia	<i>Vietnam, PNG</i>
Uzbekistan		<i>Chile</i>	<i>China</i>
Kazakhstan I		<i>Peru, Brazil</i>	India
<i>Ukraine</i>		Guatemala	Indonesia II
Kazakhstan		El Salvador	Sri Lanka
Romania		Honduras	Fiji, Vanuatu
Poland		Paraguay	Pakistan
		Uruguay	
		Mexico	

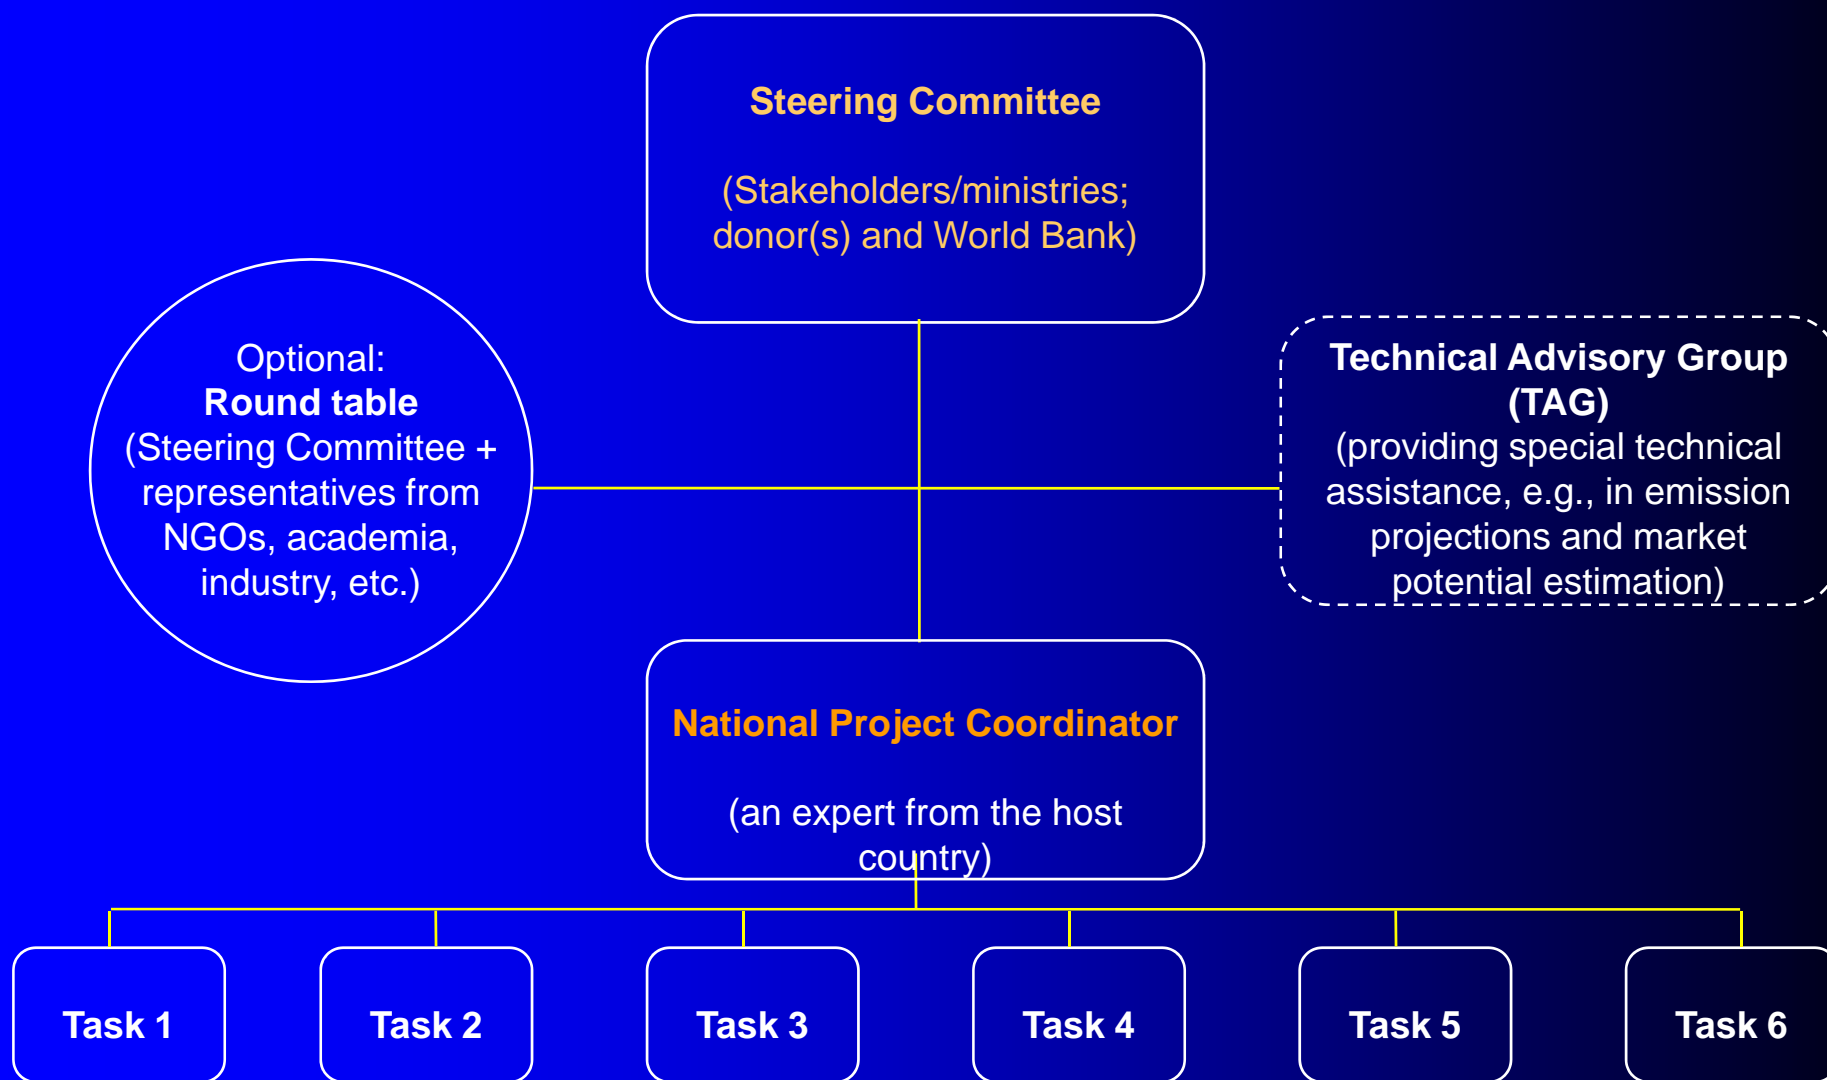

NSS Program - Features

- Host **country driven** /ownership / Govt.'s commitment (co-financing)/participatory mode
- Stimulates/contributes to the national climate change **process** by advancing, broadening and/or deepening the climate change issues
- **Flexible** to reflect demand for CB (KP)/level of host country's advancement/changing needs
- **Comprehensive/complementary approach**
- **Innovative character (LULUCF)**

NSS Instruments

- Concept
- Institutional framework in each host country (dialogue with Govts.)
- Donor financing, TA
- Program administration
- Toolkit

ORGANIZATION OF A NSS

NSS Program – Outcomes

- Reports (12 completed studies)
- Workshops (interntl, regional, national, project level)
- Special events (COPs)
- Issue Papers
- NSS Toolkit: Carbon Simulation model (CERT), CDM Negotiation Skill assistance, national web sites
- Networking, web site (www.worldbank.org/nss)
- Exchange of experts

Some Outcomes of the Studies

- Promotes the Govt's role in the CDM area by establishing strategy, determining prerequisites & addressing barriers (CDM/JI dialogue at the Govt's level through an active role of the Steering Committee, workshops)
- Supports PARTNERSHIP between the Govt. & private sector (PPP)
- Enhance the negotiation skill for the KP negotiations (COPs)
- Addresses high priority/innovative issues in host countries

NSS Program - Experiences

- Complementary **LOCAL** plus **GLOBAL** Approach (Synergies)
- Use existing **Drivers & Movers** (Sector Programs-Energy Savings, Renewables, Sustainable Development)
- Scope for closer cooperation with other programs (e.g. Centers for Clean Production (Swiss/UNIDO, UNDP, UNEP, UNCTAD, WBCSD, bilateral, others))

AREAS OF POTENTIAL COOPERATION WITH UNDP

(i) NEW NSS:

- LA: **URUGUAY; MEXICO**
- Other pending requests: Central Asia, Caucasus, Morocco, Pakistan, Ecuador, Paraguay

(ii) ONGOING/UPCOMING STUDIES (Coordination)

- **UKRAINE, CHILE, PERU, CHINA, INDIA, BRASIL, CENTRAL AMERICA (Honduras, El Salvador, Guatemala), KAZAKHSTAN**

(iii) POST-NSS Activities

- **SOUTH AFRICA, ARGENTINA, COLUMBIA, BOLIVIA. others**

NSS Program: Upcoming International Events

- Regional Workshop in Bangkok NSS/UN ESCAP-PCF (April 29-May 1, 2002)
- Regional Workshop Cairo (Summer 2002)
- Workshop of the “NSS Family” – Switzerland, September 2002
- Regional LULUCF workshop Jakarta (with UNEP/IUCN?) – September/October
